MADE IN CANADA, eh

Manufactured in Richmond BC

MADE TO ORDER

Customized to suit your specific needs

MODULAR

Change or add activity components to keep your children engaged and challenged as they grow.

SAFETY FIRST

Our top priority for design, material procurement, manufacture & installation

HIGH QUALITY, LOW MAINTENANCE

WOOD:

Douglas Fir, Pine & Cedar. Pressure treatment CSA approved for children. Hand-picked for minimal checks & slivers.

ACCESSORIES:

Mostly commercial grade and 3rd-party tested for safety, durability and comfort.

FASTENERS:

Our collar system prevents structural wear & tear and assures sturdiness.

MAINTENANCE:

Tighten set screws in collars & sand occasional slivers for a secure & stable unit.

UNOBTRUSIVE

Surface mounted - no digging or damage to your back yard.

TAKE IT WITH YOU

Can be re-installed if you relocate.

EASY DOES IT

Easy to install; we provide instructions or we can deliver and install it all for you!
